

Anti-bullying & E-Safety

At Ashfield bullying is not tolerate in any shape or form and we seek to educate students on the impact of bullying, and support those who experience or witness bullying.

Ashfield promotes the 'upstander' initiative and encourages pupils to take a stand against bullying and always report any incidents they witness.

Targeted support is available for those who seek to report anonymously, and measures are taking to protect those who experience bullying.

In this section you will find a variety of websites dedicated to ensuring all stakeholders have the necessary information and support on issues that are integral to student safety.
