

AS Media

Bridging Activity

During the AS course you will be asked to create an opening scene to a movie. This will include credits. Before September I would like you to create a document or a presentation in which you have researched 4 different film openings. The openings can be from a range of genres of your choice. I would like you to pay particular attention to the lighting, Mise en Scene, Editing Techniques, Shot types / distances.

Screen shot the examples or make reference to them using web links

Try and ensure you look when certain names come up (i.e. director, producer, etc....)
