

### Catch up funding overview

Each year at Ashfield School we take a proactive approach to try and aid rapid catch up for those students who reach us below ARE in English or Maths. Below are the strategies we implement year on year as part of our PP and Catch up Strategy.

In 2019-20 Ashfield School received £26, 132. Please note that this academic year was cut short and so most interventions ended in March 2020.
