

A Level Computer Science

Activities:

1. **Install Visual Studio 2019 Community** on your home PC or computer and familiarise yourself with programming in VB.NET (<https://visualstudio.microsoft.com/downloads/>)
2. Work through the programming challenges in the [Programming Skills](#) folder

EXTRA:

Watch the 'Imitation Game' and learn about the famous Alan Turing and his attempts in helping to crack the Enigma code during World War II.

You can email **Mrs McDougall** if you have any questions regarding the course or these induction tasks:

Gemma.McDougall@ashfield.notts.sch.uk

For the best chance of a quick reply, please do this before the summer break, emails during the summer break will get replies but these may take longer.
