

**ASHFIELD
SCHOOL**

WHOLE SCHOOL POLICY FOR CHILD PROTECTION TO SAFEGUARD AND PROMOTE THE WELFARE OF CHILDREN

Date of issue: 01/09/2021

INTRODUCTION

Ashfield School

Policy statement and principles

Ashfield School recognises its responsibilities for safeguarding students and protecting them from harm.

Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.

Safeguarding and promoting the welfare of children is defined for the purposes of this guidance as protecting children from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.

Children includes everyone under the age of 18.

Deputy Head teacher Mr Derek Nicholls is the Designated Safeguarding lead, Mrs Sally Marsh is the Deputy Safeguarding lead supported by three other members of staff who are fully trained to support students in our school regarding Safeguarding matters. Mr Jack Carter, Assistant head of year, Mr Christopher Hunter, Achievement Leader for Year 8 and Miss Linda Maguire, Head of Post 16.

This Child Protection Policy will be reviewed by the Snr Designated Safeguarding Lead Mr Derek Nicholls on a regular basis to ensure it remains current and incorporates all revisions made to local or national safeguarding guidance. This policy will as a minimum be fully reviewed as a minimum once a year during the autumn term provided to the Governing Body for approval and sign off at the first autumn term meeting.

Date of last review: Sept 2021

Date of next review: sept 2022

Role	Name	Contact Details
Headteacher/Principal	Mr John Maher	01623 455000
Senior Leader(s) available for contact in the absence of the DSLs	Mrs Nicky Hillyard Mrs Tanya Hall Mr Alan Smith	01623 455000
Designated Governor for Child Protection/ Safeguarding	Mr Shaun Pollard	01623 455000
Snr Designated Safeguarding Lead	Mr Derek Nicholls	01623 455000
Deputy Safeguarding Lead	Mrs Sally Marsh	01623 455000
<i>Names of additional Safeguarding Officers</i>	Mr Jack Carter Mr Christopher Hunter Ms Linda Maguire	01623 455000
LA Safeguarding Children in Education Officer	Cheryl Stollery	0115 8041047
LA Child Protection Contact/LADO	Eva Callaghan or covering LADO	0115 8041272
MASH (Multi-agency Safeguarding Hub)		0300 500 80 90
Emergency Duty Team (Children's Social care)	Outside of office hours	0300 456 4546
Police (to report a crime and immediate risk of harm or abuse to child)	101	In an emergency 999 (only)

Ashfield School

Our policy applies to all staff, governors and volunteers working at Ashfield School and takes into account statutory guidance provided by the Department for Education and local guidance issued by the Nottinghamshire Safeguarding Children Partnership.

We will ensure that all parents/carers are made aware of our responsibilities regarding child protection procedures and how we will safeguard and promote the welfare of their children through the publication of the Ashfield School child protection policy.

These duties and responsibilities, as set out within the Education Act 2002 sec175 and 157, DfE Statutory Guidance Keeping Children Safe in Education 2021 and HM Working Together to Safeguard Children 2018 are incorporated into this policy.

During the Covid-10 pandemic we have systems in place to ensure a DSL is available to deal with any concerns raised at that time. The DDSL works closely with social workers and other agencies and is able attend virtual meetings and liaise with these agencies should a local lockdown be put in place. Access to records is secure via CPOMS and this can be accessed remotely if required. Calls are regularly made to vulnerable students by pastoral

teams, where both parents and students are spoken to. If no contact is made escalation takes place where home visit will be made. Relevant agencies are kept informed.

Child Protection and Safeguarding Statement

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We will endeavour to provide a safe and welcoming environment where children are respected and valued. We will be alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

The procedures contained in this policy apply to all staff, supply staff, volunteers, and governors and members of The Two Counties Trust and are consistent with those of Nottinghamshire Safeguarding Children Partnership (NSCP).

Maintaining a child centred and coordinated approach to safeguarding:

Everyone who works at School understands they are an important part of the wider safeguarding system for children and accepts safeguarding and promoting the welfare of children is everyone's responsibility and everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all our staff, including supply staff

and volunteers will ensure their approach is child-centre and will be supported to consider, at all times, what is in the best interests of the child.

We recognise no single practitioner can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information, and taking prompt action.

Safeguarding children is defined as: The actions we take to promote the welfare of children and protect them from harm are everyone's responsibility. Everyone who comes into contact with children and families has a role to play.

Safeguarding and promoting the welfare of children is defined as:

- Protecting children from maltreatment.
- Preventing the impairment of children's mental and physical health or development.
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care.
- Taking action to enable all children to have the best outcomes.
- Working Together to Safeguard Children 2018.

NB Definition: Children includes everyone under the age of 18.

Whole school approach to safeguarding:

- We understand the importance every member of our staff has through their contact with children in and outside of our school environment and the particular importance of the roles and relationships they have which places them in a position to identify concerns early, provide help for children and promote children's welfare and prevent concerns from escalating.
- As a school we have a responsibility to provide a safe environment in which children can learn.
- We will make every effort to identify children who may benefit from early help and put in place support as soon as a problem emerges at any point in a child's life.
- **Any staff member** who has **any** concerns about a child's welfare should follow the processes set out in this child protection policy and raise concerns with the designated safeguarding lead or deputy without delay.
- All our staff should expect to support social workers and other agencies following any referral, especially if they were involved in being alert to or receiving a disclosure of risk, harm or abuse or harassment from a child.
- Our snr designated safeguarding lead will provide support to staff to carry out their safeguarding duties and who will liaise closely with other services such as children's social care, police, early help and health were required, as the designated safeguarding lead (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns.

Safeguarding is not just about protecting children from deliberate harm. It also relates to the broader aspects of care and education including:

- Pupils' health and safety and emotional well-being, and their mental and physical health or development.
- Meeting the needs of children with special educational needs and/or disabilities.
- The use of reasonable force.
- Meeting the needs of children with medical conditions.
- Providing first aid.
- Educational visits and off- site education.
- Intimate care and emotional wellbeing.
- On-line safety and associated issues.
- Appropriate arrangements to ensure school security, taking into account the local context.
- Keeping children safe from risks, harm, exploitation and sexual violence and sexual harassment between children: KCSiE 2021 Annex A.

Safeguarding can involve a range of potential issues such as:

- Neglect, physical abuse, sexual abuse, and emotional abuse.
- Contextualised also known as extra-familial abuse.
- Bullying, including online bullying (by text message, on social networking sites, and prejudice-based bullying).
- Going frequently missing/ going missing from care or home.
- Peer on Peer (child on child) abuse.
- Racist, disability- based, homophobic, bi-phobic, or transphobic abuse.
- Gender based violence/violence against women and girls.
- Risk of extremist behaviour and/or radicalisation.
- Child sexual exploitation, human trafficking, modern slavery, sexual or criminal exploitation.
- A young carer.
- Privately fostered
- The impact of new technologies, including 'sexting' and accessing pornography.
- Child on child sexual violence and sexual harassment (defined in KCSiE 2021 Part Five and DfE Sexual violence and sexual harassment between children, September 2021).
- Issues which may be specific to a local area or population, for example gang activity, knife crime, youth violence, criminal child exploitation (CCE) and County Lines.
- Is in family circumstances which present challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse/harm.
- Is at risk of or from serious violence and violent crime.
- Persistent absence from education, including persistent absence for part of the school day.
- Particular issues affecting children including domestic abuse and violence, female genital mutilation and honour-based abuse and forced marriage.
- 'Upskirting'- The Voyeurism (Offences) Act, which is commonly known as Up-skiirting Act, came into force on 12 April 2019. Upskiirting is a criminal offence and reportable by all teachers (KCSiE 2021 and Annex A).

All our staff and volunteers are aware of the indicators of abuse and neglect and know what to look for is vital for the early identification so that support can be put in place. Our staff and volunteers are also aware of the specific safeguarding issues that indicate or inform of concerns or incidents linked to child criminal exploitation and child sexual exploitation and know to report concerns directly to the designated safeguarding or a member of the senior

leadership team should the designated safeguarding lead not be available for children who may be in need of help or protection.

All staff should **always** speak to the designated safeguarding lead, or deputy at the earliest opportunity.

As a school we are aware that abuse, neglect, and safeguarding issues are rarely standalone events and cannot be covered by one definition or one label alone. In most cases, multiple issues will overlap with one another, therefore all staff should always be vigilant and always raise any concerns with the designated safeguarding lead (or deputy).

All staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school or college and/or can occur between children outside of our school environment.

All our staff have received information and training regarding the risks that can take place outside their families. This is known as Extra-familial harms and these can take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, sexual abuse, serious youth violence and county lines.

Our staff are aware that technology offers many opportunities but is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. Children can also abuse their peers online, this can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography, to those who do not want to receive such content.

All forms of abuse or harassment will be reported in accordance with national safeguarding guidance and we will take a 'zero tolerance' approach to harassment and abuse as informed in KCSiE 2021.

Should an incident or disclosure be made by a child our staff will always reassure the child (victim) that they are being taken seriously and that they will be supported and kept safe.

Identifying Concerns

All members of staff, volunteers and governors will know how to identify pupils who may be being harmed and then how to respond to a pupil who discloses abuse, or where others raise concerns about them. Our staff will be familiar with procedures to be followed.

Staff understand that abuse, neglect, and safeguarding issues are rarely standalone events that can be covered by one definition, and that in most cases multiple issues will overlap with each other. Staff who regularly come into contact with children are aware of the DfE guidance [What to do if you're worried a child is being abused](#)

The four categories of child abuse are as follows:

1. **Physical Abuse**
2. **Emotional Abuse**
3. **Sexual Abuse**
4. **Neglect**

Indicators of abuse and neglect

Abuse: a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults or by another child or children.

Physical abuse: a form of abuse which may involve hitting, shaking, throwing, poisoning, burning, or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse: the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectation being imposed on children. These may include interactions that are beyond a child's developmental capability as well as over protection and limitation of exploration and learning or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing

children to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Sexual abuse: involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts masturbations, kissing, rubbing, and touching outside of clothing. They may also include non-contact activities, such as involving children to look at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue (also known as peer on peer abuse) in education and **all** staff should be aware of it and of their school or colleges policy and procedures for dealing with it.

Neglect: the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to; provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Safeguarding issues: All staff should have an awareness of safeguarding issues that can put children at risk of harm. Behaviours linked to issues such as drug taking and or alcohol misuse, deliberately missing education and consensual and non-consensual sharing of nudes and semi-nude images and/or videos can be signs that children are at risk.

Staff should refer to KCSIE Sept 2021 Appendix A as well as Indicators of possible child abuse issued by Nottinghamshire Safeguarding Children Board.

Our school ethos demonstrates that the effective safeguarding of children can only be achieved by putting children at the centre of a system where we listen and hear what they say. Every individual within Ashfield School will play their part, including working with professionals from other agencies, particularly social workers, to meet the needs of our most vulnerable children and keep them safe. We will take opportunities to teach children about important safeguarding issues in a way that is age appropriate.

Students are always at the centre of our safeguarding arrangements, and we listen carefully to the children to ensure that we hear their voices.

To support students with their mental health and wellbeing we have 2 qualified Mental Health First Aiders. When students are identified as experiencing low mood our first aiders complete a wellbeing assessment with them and the information is shared with all teachers, including strategies to support them. Support is also available from the school nurse and school counsellor. Referrals to outside agencies are in place with higher tier support where required to CAHMS, Mental Health Team support as part of trail blazers, EHAF, springboard and small steps

Our school is led by senior members of staff and governors whose aims are to provide a safe environment and vigilant culture where children and young people can learn and be safeguarded. If there are safeguarding concerns, we will respond with appropriate action in a timely manner for those children who may need help or who may be suffering, or likely to suffer, significant harm.

Where staff members have concerns about a child (as opposed to a child being in immediate danger) they will decide what action to take in conjunction with the Snr Designated Safeguarding Lead. Although we advocate that any staff can make a referral to children's social care or MASH, especially where a child is identified as being in immediate danger, they should however ensure that the Designated Safeguarding Lead (DSL), or a member of the senior leadership team is informed as soon as possible.

We also ensure that all our staff are clear that whilst they should discuss and agree with the DSL any actions to be taken, they are able to escalate their concerns and contact MASH, or social care to seek support for the child if despite the discussion with the DSL their concerns remain. Staff are also informed of the school whistle blowing procedures and the contact details for the Local Authority LADO and NSPCC helpline.

We work alongside other agencies to support vulnerable children and have regular contact with social care and social workers. Our safeguarding team holds regular meetings in school takes part in partnership forums and events, accessing multi-agency training. Hosting meetings for individual children and families in school. To support better access and involvement for children, parents/carers to have increased involvement.

Children who attend alternative education often have complex needs, it is important governing bodies/trusts and designated safeguarding leads ensure children are fully supported at all times, and the alternative setting is aware of any additional risks of harm that pupils may be vulnerable to. Information sharing for pupils who receive education provision outside of a mainstream setting is vital to support the child and ensure the learning environment where they are placed has all necessary information for the child before they access the provision. The working together principles are key to keep the child safe and understanding the vulnerabilities needing to be supported. This should include up to date contact details for the professionals working with the child and family.

Staff, supply staff, student teachers and volunteers receive safeguarding training during our induction programme then regular updates are presented through inset and twilights, flyers and booklets are produced termly on specific topics. Training on how to report concerns or disclosures is also undertaken on a regular basis.

Mr D Nicholls or Mrs S Marsh who are familiar with national and local guidance, will share concerns, where appropriate, with the relevant agencies.

The DDSL attends half termly Nottinghamshire Safeguarding Forum, where guidance and updates are shared, plus an opportunity to network with other local schools. This allows the DSL team to be aware of current issues and respond in the most efficient way and informing the most relevant agencies that present at the forum.

The Snr DSL and deputies (DSL team) maintains a key role in raising awareness amongst staff about the needs of children who have or who have had a social worker and the barriers that those children might experience in respect of attendance, engagement and achievement at schools or college, see KCSiE 2021 page 147.

The Snr DSL along with the Designated Teacher can inform the Governing body and Headteacher the number of children in their cohort who have or who have had a social worker and appropriate information is shared with teachers and staff on individual children's circumstances

The Designated Teacher and Snr Designated Safeguarding Lead maintain data for children who have looked after status and for children who have been involved in the care system.

The Designated Teacher maintains good links with the Virtual School Heads to promote the educational achievement of previously looked after children.

Our Child Protection Policy

There are seven main elements to our policy:

- Providing a safe environment in which children can learn and develop.
- Ensuring we practice safe recruitment in checking the suitability of staff and volunteers to work with children.
- Developing and then implementing procedures for identifying and reporting cases, or suspected cases of abuse.
- Supporting pupils who have social care involvement in accordance with his/her child in need plan, child protection plan or are subject to Local Authority Care.
- Raising awareness of safeguarding children, child protection processes and equipping children with the skills needed to keep them safe in and outside of school.
- Working in partnership with agencies and safeguarding partners in the 'best interest of the child'.
- New - Ensuring we have appropriate policies and procedures to deal with peer on peer abuse (child on child) abuse and sexual violence and sexual harassment

We recognise that because of the day to day contact with children, school staff are well placed to observe the outward signs of abuse.

Ashfield School will therefore:

- Establish and maintain an environment where children feel secure, are encouraged to talk and are listened to and heard.
- Ensure children know that there are trusted adults in the school who they can approach if they are worried.
- Ensure that every effort is made to establish effective working relationships with parents, carers and colleagues from other agencies.

- Include opportunities in the RSHE curriculum for children to develop the skills they need to recognise and stay safe from abuse by:
- Recognising and managing risks including online safety, radicalisation and extremism, sexual exploitation, peer on peer abuse (child on child), sexual violence and sexual harassment, the sharing of nude and semi -nude images which has replaced sexting.
- Developing healthy relationships and awareness of domestic violence, and abuse which is linked to 'honour' such as female genital mutilation and forced marriage, bullying and peer on peer abuse.
- Recognising how pressure from others can affect their behaviour.
- Knowing that as a school we will act swiftly to address any concerns related to serious violence, gang and knife crime or child on child sexual violence or sexual harassment incidents.
- Ensuring our behaviour policy includes measures to prevent bullying, including cyberbullying, prejudice-based and discriminatory bullying.
- Maintain an on-line safety policy, which take into account remote learning, and use of mobile and smart technology and is reviewed regularly to take into account any new threats.

Safeguarding is activity promoted through Personal Development Education.

Personal Development Education (PDE) is a school subject through which pupils develop the knowledge, skills and attributes they need to manage their lives, now and in the future. These skills and attributes help pupils to stay healthy, safe and prepare them for life and work in modern Britain.

The curriculum is planned in line with statutory guidance, takes accounts of topical issues and meets needs of her local community.

All Schemes of Learning are mapped to the PSHE association Programme of Study and meet all new RSHE 2020 guidelines.

The curriculum is planned to encapsulate key safeguarding points such as:

- Child criminal exploitation (CCE)
- Child sexual exploitation (CSE)
- Peer on peer abuse
- County lines.
- Domestic abuse.
- Preventing radicalisation.
- Upskirting.
- Honour-based abuse.

All Schemes of Learning are planned by an SLE subject specialist, content is age appropriate and is tailored to suit a variety of learning styles.

In addition to scheduled PDE lessons, all pupils complete a supporting PSHE programme through tutor. This comprises of tutor-led activities and a weekly, bolt-on "did you know" safeguarding theme enhancing the awareness and importance of key issues.

- We will take all reasonable measures to ensure any risk of harm to children's welfare is minimised inside and outside of the school environment.
- Take all appropriate actions to address concerns about the welfare of a child, working to local policies and procedures in full working partnership with agencies.
- Ensure robust child protection arrangements are in place and embedded in the daily life and practice of the school.
- Promote pupil health and safety.
- Promote safe practice, and challenge unsafe practice.

- Ensure that procedures are in place to deal with allegations of abuse against teachers and other staff including volunteers (KCSiE 2021 Part Four Pages 81 to 95) and Part Four Section two for dealing with low-level concerns, and the NSCP local multi-agency procedures.
- Provide first aid and meet the health needs of children with medical conditions
- Ensure school site security.
- Address drugs and substance misuse issues.
- Support and plan for young people in custody and their resettlement back into the community.
- Work with all agencies regarding missing children, anti-social behaviour/gang activity and violence in the community/knife crime and children at risk of sexual exploitation.
- Everyone having a duty to safeguard children inside/outside the school environment including school trips, extended school activities, vocational placements and alternative education packages.

For children who attend alternative provisions or receive 1:1 support either in outside provisions or at home then the providers DBS certificates and their safeguarding policies are checked. Our own on-site alternative provision have staff members and mentors who can identify students with extreme behavioural needs who can also be more vulnerable are fully trained to support their needs. The school also works closely with our local police school liaison officer who supports us with any students that have been identified in criminal activity to make better choices in the future.

We will follow the procedures set out by the Nottinghamshire Safeguarding Children Partnership (NSCP) and take account of guidance issued by the DfE in Keeping Children Safe in Education 2021 to:

- Ensure we have a Snr Designated Safeguarding Lead (DSL), who is a member of the school/college leadership team, and a Deputy Safeguarding Lead for child protection/safeguarding who has received appropriate training and support for this role.
- The Designated Safeguarding Lead role is written into their job description and clarifies the role and responsibilities included (as defined in KCSiE 2021 Annex C).
- Ensure we have a nominated governor responsible for child protection/safeguarding.
- Ensure that we have a Designated Teacher for Looked After Children (LAC).
- Ensure every member of staff (including temporary, supply staff and volunteers) and the governing body knows the name of the Snr Designated Safeguarding Lead, their deputies responsible for child protection, and their role.
- Ensure all staff and volunteers understand their responsibilities in being alert to the signs of abuse and their responsibility for referring any concerns to the Designated Safeguarding Lead, or to children's social care/police if a child is in immediate danger.
- Ensure all staff and volunteers are aware of the early help process and understand their role in making referrals or contributing to early help offers and arrangements.
- Ensure that there is a whistleblowing policy and culture where staff can raise concerns about unsafe practice, and that these concerns will be taken seriously.
- Ensure that there is a complaints system in place for children and families.
- Ensure that parents have an understanding of the responsibility placed on the school and staff for child protection and safeguarding by setting out its obligations in the school prospectus and on the school's website.
- Notify Children's Social Care if there is an unexplained absence for a child who is subject to a child protection plan and where no contact can be established with the child or a parent or appropriate adult linked to the child.
- Develop effective links with relevant agencies and cooperate as required with their enquiries regarding child protection matters, including attendance at child protection conferences.
- Keep written records of concerns about children, even where there is no need to refer the matter immediately; documenting and collating information on individual children to support early identification, referral and actions to safeguard.
- Ensure all records are kept securely, using the electronic management and recording system of CPOMS.

- Ensure that we follow robust processes to respond when children are missing from education or missing from home or care.
- Develop and then follow procedures where an allegation is made against a member of staff or volunteer.
- Ensure safe recruitment practices are always followed.
- Apply confidentiality appropriately.
- Apply the NSCP escalation procedures if there are any concerns about the actions or inaction of social care staff or staff from other agencies.

Supporting children

We recognise that children who are abused or who witness violence may find it difficult to develop a positive sense of self-worth. They may feel helplessness, humiliation and some sense of blame. The school may be the only stable, secure and predictable element in the lives of children at risk. When at school their behaviour may be challenging and defiant or they may be withdrawn. We also recognise that there are children who are more vulnerable than others, which include children with special educational needs and or disabilities.

All staff including volunteers are advised to maintain the attitude of **'it could happen here'** where safeguarding is a concern, and when concerned about the welfare of the child should always act in the **best** interests of the child.

Our school will endeavour to support the pupil through:

- Developing the content of the curriculum by ensuring that we meet the needs of the RSHE curriculum 2020, whilst also being proactive to local concerns and adapting our curriculum to deliver lessons/assemblies/emergency student briefings as and where appropriate
- Maintaining a school ethos which promotes a positive, supportive and secure environment, and which gives pupils a sense of them being valued.
- The school behaviour policy, anti-bullying policy and peer on peer abuse policy which is kept up to date with national and local guidance and which is aimed at supporting vulnerable pupils in our school.
- Our *school* will proactively ensure that all children know that some behaviours are unacceptable and will need to be addressed but as members of our school they are valued and will be supported through the time required to deal with any abuse or harm that has occurred, or outcomes from incidents.
- At Ashfield we have a pastoral support system which comprises of an Achievement Leader, Assistant Achievement Leader and a Pastoral support officer for each year group, along with the tutors they work closely with students to discuss behaviour incidents including what went wrong, how everyone is feeling and what actions are required to ensure the behaviour is not repeated. Additional support in managing their emotions is also supported by the PSO.
- Liaison with other agencies that support the pupil such as Children's Social Care (in line with the Pathway to Provision Version 9.1, published in May 2021), Behaviour and Attendance Service and Education Psychology Service, use of Complex Case Resolution Meetings and the Early Help Assessment Form (EHAF), etc.
- Ensuring that, where a pupil leaves and is subject to a child protection plan, child in need plan or where there have been wider safeguarding concerns, their information is transferred to the new school immediately or within **5 working days** and that the child's social worker is informed.
- Ensuring that the vulnerability of children with special educational needs and or disabilities is recognised and fully supported Ensuring that the vulnerability of children with special educational needs and or disabilities is recognised and fully supported by our SENCo, Head of SEND, team of co-ordinators, LPAs and Pastoral Support Officers.
- Where a child discloses a concern or informs of an incident that has involved them in an incident involving sexual violence and or sexual harassment the staff member will ensure the child (victim) is taken seriously, kept safe and never be made to feel like they are creating a problem for reporting abuse, sexual violence or sexual harassment.
- The staff member if not the designated safeguarding lead will be informed immediately, and actions taken in accordance with the school peer on peer/ sexual violence and sexual harassment between children policy.

Safe Staff and Safe Recruitment

- The leadership team and governing body of the school will ensure that all safer working practices and recruitment procedures are followed in accordance with the guidance set out in KCSiE 2021 Part Three and advised by Multi Academy Trust HR Services policy and practice guidance.
- School leaders, staff and members of the governing body will be appropriately trained in safer working practices and access the safer recruitment training advised by the Trust.
- Statutory pre-employment checks and references from previous employers are an essential part of the recruitment process. We will ensure we adopt the appropriate necessary procedures to carry out the checks required and were any concerns arise we will seek advice and act in accordance with national guidance.
- The school has in place recruitment, selection and vetting procedures in accordance with KCSiE 2021 Part Three and maintains a Single Central Record (SCR), which is reviewed regularly and updated in accordance with KCSiE 2021 Part Three paragraphs 250 to 256.
- Staff will have access to advice on the boundaries of appropriate behaviour and will be aware of the School Employee Code of Conduct, which includes contact between staff and pupils outside the work context. Concerns regarding low-level concerns will be included in our Code of Conduct from 1 September 2021 in line with KCSiE Part Four Section two. Staff can access a copy of this through our HR partner (Claire Harrison) from the trust HR services.
- Newly appointed staff and volunteers will be informed of our arrangements for safer working practices by our HR partner at the Two Counties Trust before beginning working and contact with pupils.
- In the event of any complaint or allegation against a member of staff, the headteacher (or the Designated Safeguarding Lead) if the headteacher is not present, will be notified immediately. If it relates to the headteacher, the chair of governors will be informed without delay. We will respond to all allegations robustly and appropriately in collaboration with the Local Authority Designated Officer (LADO) LADO/Allegation Officer and HR Business Partner or HR Service.
- Staff may find some of the issues relating to child protection and the broader areas of safeguarding upsetting and may need support which should be provided by the school and their Human Resources Team. We also buy into an online counselling service through 'health Assured' Employee Assistance Programme.
- Advice and support will be made available by the Safeguarding Children in Education Officer (SCiEO), LADO and NCC HR where appropriate to the leadership team.
- All new employees will be appropriately inducted to their role and a link to the [Induction Checklist for Safer Recruitment](#) can be accessed from HR's guidance section of the School Portal.
- Work experience checks are carried out by an external company the school buys into to ensure safeguarding checks are completed.
- The Alternative provision used by the school is fully DBS checked and has a clear safeguarding policy in place

Links to other Local Authority policies

This policy, together with the following, should be read alongside and in conjunction with other policies and statutory guidance regarding the safety and welfare of children. These together will make up the suite of policies to safeguard and promote the welfare of children in this school.

- Accessibility Plan.
- Anti-Bullying revised for 2021-2022 (LA template policy in the process of being revised).
- Attendance Policy.

Roles and Responsibilities

All staff and volunteers

Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone in our school/ who comes into contact with children and their families have a role to play in safeguarding children. All staff in our school consider, at all times, what is in the best interests of children.

Staff at Ashfield hold a variety of roles that contributes to keeping children safe, classroom teachers are aware of how to raise concerns and tutors works closely with Achievement leaders and PSOs to support children the school have safeguarding concerns about.

All staff within our school are particularly important as they are in a position to identify concerns early and provide help to children to prevent concerns from escalating.

All staff within our school are particularly important as they are in a position to identify concerns early and provide help to children to prevent concerns from escalating. All staff contribute to providing a safe environment in which children can learn by contributing to a bigger picture in reporting all of their concerns regardless of how minor/insignificant they may seem at the time. This is embedded into the culture of the school and all staff understand the importance of their contribution in keeping all of our children safe.

All our staff are aware of the early help process and understand their role in this.

This includes being able to identify emerging problems to recognise children who may benefit from early help. Staff know in the first instance to discuss their concerns with the Designated Safeguarding Lead and understand they may be required to support other agencies and professionals in assessments for early help.

The school employs a team of PSO's (pastoral support officers) that work closely with children, families, and partner agencies. This can take the form of emotional, behavioural and mental health. We also have 2 additional mental health first aiders and a onsite school counsellor who support this work in school.

Parents/carers can come into school to seek support or advice, initial contact is made via the PSO or the form tutors, further support is then directed to the Achievement Leaders.

The school recognises the importance of children and social workers meeting during the school day, we have a full time Deputy Safeguarding Lead who is dedicated to work with social care and safeguarding partners along with 3 DSL's to ensure children subject to child protection, child in need and along with the LAC worker plans are kept safe and the child's needs are met at any time of the day. The DDSL will also in emergency cases work during the school holidays for high level cases.

We understand that children are potentially at greater risk of harm who need a social worker due to safeguarding or welfare needs, we work very closely with all external agencies to address safeguarding and child protection concerns in this area.

We do recognise how a child's experiences of adversity and trauma can leave vulnerable to further harm, as well as educational disadvantage in facing barriers to attendance, learning, behaviour, and mental health (see KCSiE 2020 paragraph 109). Again, the PSO's, Achievement leaders' teams all support this agenda.

We sign post children, parents and carers wanting support, in school and through our website, posters around the academy, newsletters and during staff briefings and pastoral meetings.

Confirm where you sign post children, parents, and carers to for support, in school and through your website, posters, newsletters and during meetings.

Safeguarding Training

All our staff are aware of systems within Ashfield school, and these are explained to them as part of staff induction, which include our child protection policy; the employee code of conduct and the role of the Designated Safeguarding Lead and Keeping Children Safe in Education 2021.

Our school utilises an induction checklist when staff are inducted which includes the above, but also other policy and procedural information.

All our staff receive safeguarding and child protection training which is updated every three years. In addition, to this training all staff members receive child protection and safeguarding updates when required, but at least annually. . It is always completed on the first day of the Autumn term as part of the INSET CPD. This is followed up by online training on EVERY.

All our staff are aware of the process for making referrals to children's social care and for statutory assessments under the Children Act 1989 and understand the role they may have in these assessments. Clarification of this role and its importance is always stressed in the annual training. All DSLs share good practice on lessons learned from working closely with social care to support our students.

All our staff know what to do if a child is raising concerns or makes a disclosure of abuse and/or neglect. Staff will maintain a level of confidentiality whilst liaising with the Designated Safeguarding Lead and children's social care. Our staff will never promise a child that they will not tell anyone about a disclosure or allegation, recognising this may not be in the best interest of the child.

Staff responsibilities

All staff have a key role to play in identifying concerns and provide early help for children.

To achieve this, they will:

- Establish and maintain an environment where children feel secure, are encouraged to talk and are listened to.
- Ensure children know that there are adults in the school who they can approach if they are worried or have concerns.
- Plan opportunities within the curriculum for children to develop the skills they need to assess and manage risk appropriately and keep themselves safe.
- Attend training in order to be aware of and alert to the signs of abuse.
- Maintain an attitude of "it could happen here" with regards to safeguarding.
- Record their concerns if they are worried that a child is being abused and report these to the DSL as soon as practical that day. If the DSL is not contactable immediately a Deputy DSL should be informed.
- Be prepared to refer directly to social care, and the police if appropriate, if there is a risk of significant harm and the DSL or their Deputy is not available.
- Follow the allegations procedures if the disclosure is an allegation against a member of staff.
- Follow the procedures set out by the NSCP and take account of guidance issued by the DfE KCSiE 2021.
- Support pupils in line with their child protection plan, child in need plan, LAC Care Plan.
- Treat information with confidentiality but never promising to "keep a secret".
- Notify the DSL or their Deputy of any child on a child protection plan or child in need plan who has unexplained absence.
- Have an understanding of early help and be prepared to identify and support children who may benefit from early help.
- Liaise with other agencies that support pupils and provide early help.
- Ensure they know who the DSL and Deputy DSLs are and know how to contact them.
- Have an awareness of the Child Protection Policy, the Behaviour Policy, the Staff Behaviour Policy (or Code of Conduct), procedures relating to the safeguarding response for children who go missing from education and the role of the DSL.

The school engages in learning opportunities and partnership with the with NSPCC, TETC team, Police Early interventions Officers, PCSO's, Public Health nurses (school nurse) and CAMHS

Senior Leadership/Management Team responsibilities:

- Contribute to inter-agency working in line with HM Working Together to Safeguard Children 2018 guidance.
- Provide a co-ordinated offer of early help when additional needs of children are identified.
- Ensure all staff, supply staff and volunteers are alert to the definitions of abuse and indicators, and through access to regular training opportunities and updates.
- Ensure staff are alert to the various factors that can increase the need for early help.

- Working with Children's Social Care, support their assessment and planning processes including the school's attendance at conference and core group meetings as appropriate.
- Carry out tasks delegated by the governing body such as training of staff and volunteers, safer recruitment and maintaining of a single central register.
- Provide support and advice on all matters pertaining to safeguarding and child protection to all staff regardless of their position within the school.
- Treat any information shared by staff or pupils with respect and follow agreed policies and procedures.
- Ensure that allegations or concerns against staff including low-level concerns are dealt with in accordance with guidance from Department for Education (DfE KCSiE 2021 Part Four 'Allegations made against/Concerns raised in relation teachers including supply teachers, other staff, volunteers and contractors in Sections One and Two.
- Nottinghamshire Safeguarding Children Partnership (NSCP) and Nottinghamshire County Council (NCC).

Ashfield School maintain an attitude of 'it could happen here' where safeguarding is concerned. All staff will always act in the best interest of the child if concerned about their welfare. Staff will follow our school guidance and act immediately if concerned. At Ashfield we will work with social care and other agencies to address any safeguarding and child protection concerns by attending any conference and meetings for the child.

Teachers (including ECTs) and Headteachers - Professional Duty

The Teachers Standards 2012 remind us that teachers, newly qualified teachers and headteachers should safeguard children and maintain public trust in the teaching profession as part of our professional duties.

The Children and Social Work Act of 2017, places responsibilities for Designated Teacher to have responsibility for promoting the educational achievement of children who have left care through adoption, special guardianship or child arrangement orders or who were adopted from state care outside England and Wales.

Care leavers are treated the same as other children who are currently looked after. The CIC co-ordinator will work with them as a mentor and support them throughout their time in the school.

Designated Safeguarding Lead

We have a Snr Designated Safeguarding Lead who takes lead responsibility for safeguarding children and child protection who has received appropriate training and support for this role. The Snr Designated Safeguarding Lead is a senior member of the school leadership team and their responsibilities are explicit in their job description.

We also have a Deputy Safeguarding Lead, who will provide cover for the Snr Designated Safeguarding Lead when they are not available. Our Deputy Safeguarding Lead has received the same training as our Snr Designated Safeguarding Lead. They will provide additional support to ensure the responsibilities for child protection and safeguarding children are fully embedded within the school ethos and that specific duties are discharged. They will assist the Snr Designated Safeguarding Lead in managing referrals, attending child protection conferences, reviews, core group meetings and other meetings of a safeguarding and protection nature to support the child/children.

We have over 2600 students at Ashfield therefore we have a full-time member of staff who's role as Deputy Safeguarding Lead is solely to work and support our students with any safeguarding concerns, she works closely with social care in all aspects of safeguarding, we also have a further 3 DSL's who also support with any safeguarding issues, all have completed training and also attend additional training usually offered by the local authority. We also have dedicated pastoral team for each year group that also support.

We acknowledge the need for effective and appropriate communication between all members of staff in relation to safeguarding pupils. Our Designated Safeguarding Lead will ensure there is a structured procedure within the school, which will be followed by all of the members of the school community in cases of suspected abuse.

The Senior Designated Safeguarding Lead is expected to:

Manage Referrals

- Refer cases of suspected abuse or allegations to the relevant investigating agencies.
- Support staff who make referrals to children's social care and other referral pathways.
- Refer cases where a person is dismissed or left due to risk/harm to a child and the DBS as required.

- Ensure arrangements are in place year round for all staff and volunteers to seek advice, support and inform of safeguarding concerns, or incidents and disclosures that inform children are at risk of harm, or abuse, harm or bullying or sexual harm or harassment has occurred.

The Snr DSL and DDSL meet on a regular basis and the DDSL meets with the DSL team and the pastoral team weekly, this ensures that everyone is fully informed and able to respond to the needs of the children subject to safeguarding concerns.

Where students are identified as vulnerable or have safeguarding concerns, they are allocated to the DDSL who will be their point of contact in school and will liaise with home and external agencies. The DDSL will engage with the student in school and give the student confidence in speaking about their issues as they know that the DSL is aware of all situations, allowing trust to be built and openness to share information.

Work with others

- Liaise with the headteacher/principal (where the Snr Designated Safeguarding Lead role is not carried out by the headteacher) to inform him/her of any issues and ongoing investigations.
- As required, liaise with the 'case manager' (as per Part Four of KCSiE 2021) and the LADO where there are child protection concerns/allegations that relate to a member of staff.
- Liaise with the case manager and the LADO/LADO Allegation Officer where there are concerns about a staff member.
- Liaise with staff on matters of safety and safeguarding and deciding when to make a referral by liaising with other agencies and acts as a source of support, advice and expertise for other staff.
- Take part in strategy discussions or attend inter-agency meetings and/or support other staff to do so and to contribute to the assessment of children.
- Liaise with the local authority and other agencies in line with HM Working Together to Safeguard Children 2018 and the local Nottinghamshire Safeguarding Children Partnership procedures and practice guidance.
- The head teacher, designated safeguarding leads and governing body/trust are aware of the local arrangements put in place by Nottinghamshire Safeguarding Children Partnership (NSCP) and know how to access the NSCP website and training

Our DSL or DDSL attends all of the NCC Designated Safeguarding Lead Focus Group Meetings which take place half termly at schools around the County. They also attend TETC training and training provided by our trust.

The DSL's feed back information to other staff to help raise awareness of emerging threats and risks throughout the academic year in whole staff briefings that take place and key information is also shared in weekly meetings with achievement leaders, assistant achievement leaders, and PSO's. A variety of staff have also completed online training with the NSPCC for safer recruitment.

Our PSHE lead co-ordinator has planned all PSHE lessons which link to key safeguarding issues for staff across the school to teach. The TETC team have provided some staff training, and staff have attended specific training sessions on a range of safeguarding measures. The school police link attend school regularly and works with both the DSL team and Pastoral team and also students via group sessions and assemblies.

Undertake training

- Formal Designated Safeguarding Lead training will be undertaken every two years. Informal training and updating of knowledge and skills will be at regular intervals, undertaken at least annually. The Snr Designated Safeguarding Lead is responsible for their own training and should obtain access to resources or any relevant refresher training.
- The Snr Designated Safeguarding Lead is also responsible for ensuring all other staff with designated safeguarding responsibilities access up to date and timely safeguarding training and maintains a register or data base to evidence the training.

The training undertaken should enable the Designated Safeguarding Lead to:

- Understand the assessment process for providing early help and intervention through the NSCP's Pathway to Provision Version 9.1, EHAF and the Early Help Unit.

- Have a working knowledge of how the Nottinghamshire Safeguarding Children Partnership operates, the conduct of a child protection conference, and be able to attend and contribute to these effectively when required to do so.
- Ensure that each member of staff has access to the child protection policy and procedures.
- Be alert to the specific needs of children in need, including those with special educational needs and or disabilities and young carers.
- Be able to keep detailed, accurate, secure written records of concerns and referrals.
- Understand the Prevent Duty and provide advice and support to staff on protecting and preventing children from the risk of radicalisation and being grooming into extremist behaviours and attitudes (KCSiE 2021 Annex A and B).
- Understand the reporting requirements for FGM.
- Understand and support children to keep safe when online and when they are learning at home (KCSiE 2021 Part Two and Annex D).
- Encourage a culture of protecting children; listening to children and their wishes and feelings.

Raise awareness

- Ensure that the child protection policies are known, understood and used appropriately.
- Ensure that the child protection policy is reviewed annually in consultation with staff members, and procedures are updated and reviewed regularly and implemented, and that the governing body is kept up to date and actively involved.
- Work strategically to ensure policies and procedures are up to date and drive and support development work within the school.
- Ensure that the child protection policy is available to parents and carers and uploaded to the school website and make parents/carers aware that referrals may be made about suspected abuse or neglect.
- Ensure all staff receive induction training covering child protection before working with children and can recognise and report any concerns immediately as they arise.

Child Protection file

- The Snr Designated Safeguarding Lead is responsible for ensuring that when a child leaves the school or college their 'child protection', 'child in need' file or 'confidential' file is transferred to the new school or college at the same time the child goes on roll of its new school or education provision.
- A record of the number of children open and subject to CP. CiN and LAC concerns is maintained and shared with the governing body annually.
- A record or data on the cohort of children having or have had a social worker and social care involvement will be maintained.
- Our school will maintain, keep and storing records, where a concern about a child has been identified in accordance with statutory guidance. (KCSiE 2021 Part one paragraphs 71 to 73, Part two management of safeguarding paragraphs 112 to 113. Part Five SVSH, Annex A, Annex C pages 147 to 148 and 151).

All concerns are logged via CPOMS and electronic records kept. Requests for information are shared where required by external agencies, and reports completed to allow external agencies to support students where necessary.

Should a student transfer, on acknowledgment from the new institution that they are on roll with, we will transfer their records (electronically where possible, or via recorded delivery if required, with the receiving school signing to say that they have received the records

Availability

- During term time the Snr Designated Safeguarding Lead or a Deputy will always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns. In the absence of the Designated Safeguarding Leads a member of the senior leadership team will be nominated to provide cover.

Appropriate arrangements will also need to be in place all year round for any out of school hours' activities in line with the guidance contained in DfE KCSiE 2021 Part Two and Annex C.

Headteacher

The Headteacher of the school will ensure that:

- The policies and procedures adopted by the governing body (particularly those concerning referrals of cases of suspected abuse and neglect), are understood, and followed by **all** staff.
- The school has an up to date Single Central Record (SCR) which is reviewed regularly and is compliant with statutory guidance.
- Sufficient resources and time are allocated to enable the Designated Safeguarding Lead and other staff to discharge their responsibilities, including taking part in strategy discussions and inter-agency meetings, and contributing to the assessment of children.
- All staff and volunteers feel able to raise concerns about poor or unsafe practice with regard to children, and such concerns are addressed sensitively and effectively in a timely manner in accordance with agreed whistle-blowing policies.
- The Headteacher will ensure all staff including supply teachers and volunteers have access to and read and understand the requirements placed on them through: - the school Child Protection Policy; the staff Code of Conduct policy.
- The Headteacher will ensure there are mechanisms in place to assist staff to fully understand and discharge their role and responsibilities as set out in KCSiE 2021.
- Where there is an allegation made against a member of staff (either paid or unpaid) that meets the criteria for a referral to the LADO, then the headteacher or principal will discuss the allegation immediately with the LADO (within 24 hours) and ensure that cases are managed as per Part Four: Allegations made against/Concerns raised in relation to teachers, including supply teachers, other staff, volunteers and contractors in KCSiE 2021. If the allegation is against the Headteacher/Principal, then the Chair of the Governing Body will manage the allegation.
- As our school is part of TTCT MAT we are supported by the Head of Human Resources with any cases that could be referred onto the Disclosure and Barring Service and/or Teaching and Regulation Agency.
- The CEO would also offer support to the school at this stage if it was required.

Governing Body and Multi-Academy Trust

We recognise our Governing body has a strategic leadership responsibility for our school's safeguarding arrangements and must ensure they comply with their duties under legislation and must have regard to KCSiE 2021, ensuring policies, procedures and training in our school are effective and comply with the law at all times.

The governing body will be collectively responsible for ensuring that safeguarding arrangements are fully embedded within the school's ethos and reflected in the school's day to day safeguarding practices by:

- Ensuring there is an individual member of the governing body to take leadership responsibility for safeguarding and champion child protection issues in the school.
- Ensuring that the school has effective policies and procedures in line with statutory guidance (Working Together to Safeguard Children 2018) as well as with local NSCP guidance and monitors the school's compliance with them.
- Ensuring that safeguarding policies and procedures are in place for appropriate action to be taken in a timely manner to promote a child's welfare.
- Recognising the importance of information sharing between agencies through the statutory guidance provided within KCSiE 2021 from paragraph 105, the additional clarification about GDPR and withholding information.
- Ensuring cooperation with the local authority and other safeguarding partners.
- Appointing a Snr Designated Safeguarding Lead from the leadership team to take lead responsibility for child protection/safeguarding and that a Designated Teacher for Looked After Children is appointed and appropriately trained.

- Ensuring that all staff, supply teachers and governors read and fully understand at least KCSiE 2021 Part One and or Annex A as a minimum, and ensure that there are mechanisms in place to assist staff to understand and discharge their role and responsibilities as required within the guidance.
- Ensuring that the governing body understands it is collectively responsible for the school's safeguarding arrangements, even though a governor will be nominated as the 'Safeguarding Governor' and person who will champion all safeguarding requirements'.
- All members of the governing body will undertake training about child protection to ensure they have the knowledge and information needed to perform their functions and understand their responsibilities, order to discharge their responsibilities and act as the school 'critical friend'.
- The Chair of Governors and named Safeguarding Governor will access role specific training to enable them to comply and discharge their child protection/ safeguarding responsibilities.
- The Governing body will collectively ensure there is a training strategy in place for all staff, including the headteacher, so that child protection training is undertaken with refreshed in line with KCSiE 2021 and NSCP guidance.
- Ensuring that staff undergo safeguarding child protection training at induction and that there are arrangements in place for staff to be regularly updated to ensure that safeguarding remains a priority.
- Ensuring that temporary staff and volunteers who work with children are made aware of the school's arrangements for child protection and their responsibilities
- Ensuring there are procedures in place to manage allegations against staff and exercise disciplinary functions in respect of dealing with a complaint KCSiE 2021 Part Four Section One.
- Ensuring that arrangements/procedures are in place to manage 'low level' concerns which should be referred to within the school/college Staff Code of Conduct.
- (Allegations and concerns about a staff member that after initial consideration by the 'case manager' do not meet the criteria for a referral to LADO).
- Ensuring a response if there is an allegation against the headteacher by liaising with the LADO or other appropriate officers within the local authority.
- Ensuring appropriate responses to children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse, including child sexual exploitation and going missing in future.
- Be aware of the issues involving the complexity of serious violence and sexual violence and sexual harassment between children and ensure the school has policy, procedures and staff are trained (including the DSL and Senior Leadership) to recognise and respond to incidents and resources to manage actions and support for those involved.
- Be alert to the growing concerns involving knife crime and ensure the school works closely with the police and safeguarding partners to raise awareness of the impact of such crime and adopt proactive practice to address concerns locally and within the community.
- Ensuring appropriate filters and monitoring systems are in place to protect children online and children are taught about keeping safe online through the curriculum.
- Giving staff the opportunities to contribute and shape safeguarding arrangements and child protection policy.
- Prevent people who pose a risk of harm from working with children by adhering to statutory responsibilities to check staff who work with children, making decisions about additional checks and ensuring volunteers are supervised as required.
- Ensure at least one person on an interview panel has completed safer recruitment training.
- Recognising that certain children are more vulnerable than others, such as looked after children and children with special educational needs and disabilities.
- Be open to accepting that child abuse and incidents can happen within the school and be available to act decisively upon them.

Looked After Children - The Role of Designated Teacher and the Designated Safeguarding Lead

- A Designated CLC co-ordinator has responsibility for promoting the educational achievement of children who are looked after. They have the appropriate training. The Designated Teacher will work with the Virtual School to ensure that the progress of the child is supported.
- The Designated Safeguarding Lead will also have details of the child's social worker and the name of the Assistant Head of the Virtual School. The Designated Safeguarding Lead will work closely with the CLC co-ordinator, as we recognise that children may have been abused or neglected before becoming looked after. We will ensure their ongoing safety and wellbeing as well as supporting their education, through linking with their social worker, carers and parents where appropriate.
- We also recognise those children who were previously Looked-After potentially remain vulnerable and all staff will be informed of the importance of maintaining support for them through our school. As a school we will continue to recognise the importance of working with agencies and take prompt actions where necessary to safeguard these children, who may remain vulnerable.

Children with Special Educational Needs

We recognise that children with special educational needs (SEN) and or disabilities can face additional safeguarding challenges. Children with SEN and or disabilities are especially vulnerable when identifying concerns due to their impaired capacity to resist or avoid abuse. They may have speech, language and communication needs which may make it difficult to tell others what is happening.

All staff are aware that additional barrier can exist when recognising abuse and neglect for children with SEND and be more prone to peer group isolation or bullying (including prejudice-based bullying) than other children. They may not always show outward signs and may have communications barriers and difficulties in reporting challenges, especially involving exploitation or incidents involving peer on peer/child on child harm, abuse, or harassment and particularly where that harassment or harm is of a sexual nature. Our staff's vigilance will be a supporting factor to keeping all children safe.

Our policy reflects the fact that additional barriers can exist when recognising abuse and neglect in this group of children which include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- children with SEN and disabilities can be disproportionately impacted by things like bullying, without outwardly showing any signs; and communication barriers and difficulties in overcoming their ability to disclose incidents or the risk of harm they feel subject to;
- addressing individual behaviour concerns and incidents considering the child's SEN and disabilities.

The school implements a variety of additional arrangements for safeguarding children with SEND they include staff being fully trained in physical and manual handling, the academy also has a group of staff trained on with wheelchair handling. PDSS undertook a site assessment in July 20 to ensure we can meet needs of students transitioning. Medication is managed well through the school 1st Aide and Medical Needs Coordinator.

Taking action where concerns are identified

Our staff recognise the difference between concerns about a child and a child in immediate danger.

If staff have concerns about a child, they will need to decide what action to take. A discussion should take place with the Snr Designated Safeguarding Lead to agree a course of action.

If a child is in immediate danger or risk of harm a referral will be made immediately to the Multi-Agency Safeguarding Hub and/or the police immediately by the member of staff if required, with the Designated Safeguarding Lead being informed of the referral.

If a child chooses to tell a member of staff about alleged abuse, there are a number of actions that staff will undertake to support the child:

- The key facts will be established in language that the child understands, and the child's words will be used in clarifying/expanding what has been said.
- No promises will be made to the child, e.g. to keep secrets.
- Staff will stay calm and be available to listen.
- Staff will actively listen with the utmost care to what the child is saying.

- Where questions are asked, this should be done without pressurising, and only using open questions;
- Leading questions should be avoided as much as possible
- Questioning should not be extensive or repetitive
- Staff will not/ should not put words in the child's mouth but will subsequently note the main points carefully.
- A full written record will be kept by the staff duly signed and dated, including the time the conversation with the child took place, outline what was said, comment on the child's body language etc.
- It is not appropriate for staff to make children write statements about abuse that may have happened to them or get them to sign the staff record.
- Staff will reassure the child and let them know that they were right to inform them and inform the child that this information will now have to be passed on.
- The Designated Safeguarding Lead will be immediately informed, unless the disclosure has been made to them.
- Information should be shared with children's social care without delay, either to the child's own social worker or to the MASH. Children's Social Care will liaise with the police where required, which will ensure an appropriate police officer response rather than a uniformed response.
- The Police would only therefore be contacted directly in an emergency or if a child is in immediate risk of harm, abuse or danger.

Staff should never attempt to carry out an investigation of suspected child abuse by interviewing the child or any others involved especially if a criminal act is thought to have occurred. The only people who should investigate child abuse and harm are Social Care, Police, or the NSPCC.

Confidentiality

We recognise that all matters relating to child protection are confidential; however, a member of staff must never guarantee confidentiality to children; children will not be given promises that any information about an allegation will not be shared.

Where there is a child protection concern it will be passed immediately to the Designated Safeguarding Lead and/or to children's social care. When a child is in immediate danger children's social care/the police will be contacted.

The Headteacher or Snr Designated Safeguarding Lead will disclose personal information about a pupil to other members of staff, including the level of involvement of other agencies, only on a 'need to know' basis.

All staff are aware that they have a professional responsibility to share information with other agencies in order to safeguard children. They are aware that the Data Protection Act 1998 should not be a barrier to sharing of information where failure to do so would result in a child being placed at risk of harm.

We acknowledge further guidance can be found by visiting Nottinghamshire Safeguarding Children Partnership website: <https://www.nottinghamshire.gov.uk/nscp>

Information Sharing

Effective sharing of information between practitioners and local organisations and agencies is essential for early identification of need, assessment and service provision to keep children safe. Serious Case Reviews (SCR's) and Rapid Reviews (R.R's) have highlighted that missed opportunities to record and thereby understand the significance of sharing information in a timely manner can have severe consequences for the safety and welfare of children (Working Together to Safeguard Children 2018 para 23).

We will adopt the information sharing principles detailed in statutory safeguarding guidance contained within:

- DfE KCSiE 2021 paragraphs 105 to 113 and Annex C has been updated to further clarify about GDPR and withholding information and additional information added which makes clear about the powers to hold and use information when promoting children's welfare.
- HM Working Together to Safeguard Children 2018 Para 23 to 27 and on pages 20 and 21.
- HM Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers (which has been updated to reflect the General Data Protection Regulation (GDPR) and Data Protection Act 2018).

- Nottinghamshire Safeguarding Children Partnership (NSCP) Policy and Practice Guidance.

Records and Monitoring (KCSiE 2021 paragraphs 71 to 72, Part Five, Annex C)

Our school uses CPOMS to record all safeguarding concerns and follow up correspondence from all agencies involved with the support of individual students. All staff are training in how to log concerns and DSL's have updated training on how to maintain records and add cases.

Any concerns about a child will be recorded in writing within 24 hours. All records will provide a factual and evidence-based account and there will be accurate recording of any actions. Records will be signed, dated and, where appropriate, witnessed. Where an opinion or professional judgement is recorded this should be clearly stated as such.

At no time should an individual teacher/member of staff or school be asked to or consider taking photographic evidence of any injuries or marks to a child's person; this type of behaviour could lead to the staff member being taken into managing allegations procedures. The body maps should be used in accordance with recording guidance and to support clarity for example of areas of injury, marks and bruising and or touching.

Any concerns should be reported and recorded without delay to the appropriate safeguarding services e.g. MASH or the child's social worker if already an open case to social care.

A chronology will be kept in the main school file prior to the commencement of a concern file. Staff, particularly pastoral staff, will record any minor concerns on the chronology and will take responsibility for alerting the Designated Safeguarding Lead should the number of concerns rise or, in their professional judgement, become significant. At the point at which a concern file (see below) is commenced then the chronology can be transferred to the concern file.

Safeguarding, child protection and welfare concerns will be recorded and kept in a separate secure file known as a 'concern' file (formerly referred to as a child protection file), which will be securely stored and away from the main pupil file. The main pupil file should have a **red C** in the top right-hand corner to denote a separate file

Our school will ensure all or files will be available for external scrutiny for example by a regulatory agency or because of a serious case review or audit.

Why recording is important

Our staff will be encouraged to understand why it is important that recording is comprehensive and accurate and what the messages from serious case reviews are in terms of recording and sharing information. It is often when a chronology of information is pieced together that the level of concern escalates or the whole or wider picture becomes known.

Our school, Ashfield School uses C Pom's software to maintain record/files for all students who have ever had a C file. On admission to the school all paper files from previous schools are scanned onto their electronic file on CPOMS. This system is robust, secure and appropriate.

We acknowledge without information being recorded it can be lost. This could be crucial information, the importance of which is not always necessarily apparent at the time. On occasions, this information could be crucial evidence to safeguard a child or be evidence in future criminal prosecutions.

The Child Protection (CP), Child in Need (CiN) or Confidential file (KCSiE 2021 paragraphs 71 to 73, 112 to 113 and Annex C pages 146 to 148).

The establishment of a Child Protection, CiN or Confidential Safeguarding file, which is separate from the child's main school file, is an important principle in terms of storing and collating information about children which relates to either a child protection or safeguarding concern or an accumulation of concerns about a child's welfare which are outside of the usual range of concerns which relate to ordinary life events. It should be borne in mind that what constitutes a 'concern' for one child may not be a 'concern' for another and the child's particular circumstances will need to be taken into account for example if a child is subject to a child protection plan, CiN plan or has looked after status (LAC). Professional judgement will therefore be an important factor when making this decision and will need clear links between pastoral staff and those with Designated Safeguarding Lead responsibilities in school.

A 'child protection' or 'confidential' file should be commenced in the event of:

- A referral to MASH/Children's Social Care.
- A number of minor concerns on the child's main school file.
- Any child open to social care.

All 'child protection' or 'confidential' file should contain:

- A front sheet.
- A chronology.
- A record of concern in more detail and body map, where appropriate.
- A record of concerns and issues shared by others.

The school will keep electronic records of concerns about children even where there is no need to refer the matter to MASH/Children's Social Care (or similar) immediately but these records will be kept within the separate concerns file.

Records will be kept up to date and reviewed regularly by the Snr Designated Safeguarding Lead to evidence and support actions taken by staff in discharging their safeguarding arrangements. Original notes will be retained (but clearly identified as such) as this is a contemporaneous account; they may be important in any criminal proceedings arising from current or historical allegations of abuse or neglect.

The 'confidential' file can be active or non-active in terms of monitoring i.e. a child is no longer LAC, subject to a child protection plan or EHAF and this level of activity can be recorded on the front sheet as a start and end date. If future concerns arise, they can be re-activated and indicated as such on the front sheet and on the chronology as new information arises.

Transfer of child's child protection file, child in need, LAC, or confidential file (statutory requirement):

Our school will adopt the file transfer guidance contained in KCSiE 2021 and ensure when a child moves school/education provision their child protection/confidential file is sent securely to their new educational setting when the child starts/ leaves the school/academy.

For those children subject of social care and safeguarding agency involvement will ensure the file is able to evidence the child's journey and include key information as described in KCSiE 2021 Should a child subject to

social care involvement transfer schools, college or education provider we will ensure the child's child protection or confidential file move is transferred within 5 days required by KCSiE 2021 page 148.

Our Snr DSLs will liaise directly with the receiving school, college or alternative placement and hold a discussion to share important information to support the child's transfer to ensure the child remains safeguarded, has any 'reasonable adjustments' agreed, and put in place and to ensure the changes experienced by the child are as smooth as possible to enable a positive integration experience and engagement with new staff and learning.

In accordance with KCSiE 2021 we will maintain information on cohorts of children who have been open to social care, have had a social worker or who are closed to social care and may have returned to the family home. This information will only be considered for sharing 'if appropriate' with the new school or provider in advance of the child leaving to allow for the new school to continue supporting the children who have had a social worker or been victims of abuse, including those who are currently receiving support through the 'Channel' programme.

(KCSiE 2021 paragraphs 71 to 73, 113 and Annex C pages 146 to 148).

Recording Practice

Timely and accurate recording will take place when there are any issues regarding a child.

A recording of each and every incident or concern for the child will be made on CPOMS, including any telephone calls to other professionals. These will also be recorded on the chronology and kept within the child protection file for that child, as over time they are likely to help identify any patterns or emerging risks and needs. This will include any contact from other agencies who may wish to discuss concerns relating to a child. Actions will be agreed, and roles and responsibility of each agency will be clarified, and outcomes recorded.

The chronology will be brief and log activity; the full recording will be on the record of concern.

Further detailed recording will be added to the record of concern and will be signed and dated. Records will include an analysis of the event or concerns and will take account of the holistic needs of the child, and any historical information held on the child's file.

Support and advice will be sought from social care, or early help whenever necessary. In this way a picture can emerge, and this will assist in promoting an evidence-based assessment and determining any action(s) that needs to be taken.

This may include no further action, whether an EHAF should be undertaken, or whether a referral should be made to MASH/Children's Social Care in-line with the NCC Pathway to Provision Version 9 document published March 2021, or any later edition made available by Nottinghamshire Safeguarding Children Partnership.

Such robust practice across child protection and in safeguarding and promoting the welfare of children will assist the school and DSL team in the early identification of any concerns which may require addressing further and the prevention of future harm, risk or abuse.

The Designated Safeguarding Lead will have a systematic means of monitoring children known or thought to be at risk of harm (through the concern file and through an ongoing dialogue with pastoral staff). They will ensure that we contribute to assessments of need and support multi-agency plans for those children.

Educating Young People - Opportunities to teach safeguarding (KCSiE 2021 paragraphs 121, Annex A & Annex C Online Safety page 117 to 118).

As a school we will teach children in an age appropriate way about youth produced imagery, on-line risks associated with social networking to prevent harm by providing them with the skills, attributes and knowledge to help them navigate risks, including covering online safety, remote learning, filters and monitoring, information security, cyber-crime, reviewing online safety platforms and use of mobile technology.

This approach to tackling sensitive issues promotes a whole school approach to safeguarding giving children the space to explore key issues and the confidence to seek the support of adults should they encounter problems.

The education we provide for online safety will take into account the harm, injury or harassment involved in sexual violence and sexual harassment between child in schools and colleges.

This issue will also be taught as part of a wider RSHE programme, as RSHE becomes mandatory in all schools from September 2021.

At Ashfield School our students are supported to understand what constitutes a health relationship. We are fully trained on the requirements of the new RSHE curriculum and will be introducing the lessons this academic year. Students are taught how to recognise the risks associated with sexual exploration, domestic abuse, relationship

abuse, peer on peer abuse and emotional abuse, and are made aware of any support that they may need. The RSHE curriculum forms part of how we aim to support our students to develop in many aspects of their lives

Ashfield School is committed to promoting the safe and responsible use of the internet. Through the school's PSHE programme, assemblies and guest speakers, we do our best to provide our students with the awareness and knowledge they need in order to recognise and avoid dangerous, destructive, or unlawful behaviour and to respond appropriately.

To support parents and carers to deal with the issues surrounding e-safety, the internet and social media, the school would like to highlight the following sites:

Parental Support

- [Childnet](#) offers a toolkit to support parents and carers of children of any age to start discussions about their online life, to set boundaries around online behaviour and technology use, and to find out where to get more help and support
- [Commonsensemedia](#) provide independent reviews, age ratings, & other information about all types of media for children and their parents
- [Government advice](#) about protecting children from specific online harms such as child sexual abuse, sexting, and cyberbullying
- [Government advice](#) about security and privacy settings, blocking unsuitable content, and parental controls
- [Internet Matters](#) provide age-specific online safety checklists, guides on how to set parental controls on a range of devices, and a host of practical tips to help children get the most out of their digital world .
- [Let's Talk About It](#) provides advice for parents and carers to keep children safe from online radicalisation
- [London Grid for Learning](#) provides support for parents and carers to keep their children safe online, including tips to keep primary aged children safe online
- [Lucy Faithfull Foundation StopItNow](#) resource can be used by parents and carers who are concerned about someone's behaviour, including children who may be displaying concerning sexual behaviour (not just about online) Page | 32
- [National Crime Agency/CEOP Thinkuknow](#) provides support for parents and carers to keep their children safe online
- [Net-aware](#) provides support for parents and carers from the NSPCC and O2, including a guide to social networks, apps and games
- Parentzone provides help for parents and carers on how to keep their children safe online
- [Parent info](#) from Parentzone and the National Crime Agency provides support and guidance for parents from leading experts and organisations
- [UK Safer Internet Centre](#) provide tips, advice, guides and other resources to help

Our school's *response* to identifying, responding to, and managing concerns, incidents, or disclosures regarding sexual violence between children in school.

Helplines and reporting

- Children can talk to a Child Line counsellor 24 hours a day about anything that is worrying them by ringing 0800 11 11 or in an online chat at <https://www.childline.org.uk/get-support/1-2-1-counsellor-chat/>
- Where staff members feel unable to raise an issue with their employer, or feel they have a genuine concern that is not being addressed we acknowledge they may wish to consider whistleblowing channels. Likewise, if parents and carers are concerned about their child, they can contact the NSPCC Helpline by ringing 0800 028 028 0295, or by emailing help@nspcc.org.uk

Name of School/Academy/AP Child Protection & Safeguarding Flow Chart 'What to do if you are worried a child is being abused, at risk of harm or neglect'

Actions where there are concerns about a child's welfare in and outside of school

- Be alert to signs of abuse, question unusual behaviour or changes to presentation.

Where a child discloses abuse, neglect, sexual violence or sexual harassment

- **Listen to what they say, keep calm, reassure they are right to tell, and you will take action to help keep them safe.**
- Inform them you need to share the information and what you are going to do next
- Do not promise confidentiality, you will need to share/ report the information to appropriate services.
- **DO NOT DELAY, take any immediate necessary action to protect the child and ensure the Designated Safeguarding Lead is informed or member of SLT in the**

Discuss concerns with the Snr Designated/ Named Safeguarding Lead

- The Safeguarding Lead will consider further actions including consultation with Children's Social Care/ MASH (if a new concern).
- Concerns and discussion, decisions and reasons for decision should be recorded in writing and a 'confidential concerns' or 'child protection' file should be opened, stored in line with the school child protection policy.
- At all stages the child's circumstances should be kept under review and re-refer if appropriate, to ensure the child's circumstances improve – **the child's best interests must come first.**

Still have concerns - Refer to MASH (Multi-Agency Safeguarding Hub) Social Care
 Have child/ families' personal details to hand and be clear about concern/ allegations.

Body map

Appendix 4 Body Map Guidance for Schools

Medical assistance should be sought where appropriate.

Body Maps should be used to document and illustrate visible signs of harm and physical injuries.

Always use a black pen (never a pencil) and do not use correction fluid or any other eraser.

Do not remove clothing for the purpose of the examination unless the injury site is freely available because of treatment.

***At no time should an individual teacher/member of staff or school be asked to or consider taking photographic evidence of any injuries or marks to a child's person, this type of behaviour could lead to the staff member being taken into managing allegations procedures, the body map below should be used in accordance with recording guidance. Any concerns should be reported and recorded without delay to the appropriate safeguarding services,**

e.g. MASH or the child's social worker if already an open case to social care.

When you notice an injury to a child, try to record the following information in respect of each mark identified e.g. red areas, swelling, bruising, cuts, lacerations and wounds, scalds and burns:

- Exact site of injury on the body, e.g. upper outer arm/left cheek.
- Size of injury - in appropriate centimetres or inches.
- Approximate shape of injury, e.g. round/square or straight line.
- Colour of injury - if more than one colour, say so.
- Is the skin broken?
- Is there any swelling at the site of the injury, or elsewhere?
- Is there a scab/any blistering/any bleeding?
- Is the injury clean or is there grit/fluff etc.?
- Is mobility restricted as a result of the injury?
- Does the site of the injury feel hot?
- Does the child feel hot?
- Does the child feel pain?
- Has the child's body shape changed/are they holding themselves differently?

Importantly the date and time of the recording must be stated as well as the name and designation of the person making the record. Add any further comments as required.

Ensure First Aid is provided where required and record

A copy of the body map should be kept on the child's child protection file.

Female Genital Mutilation

Guidance Notes for Staff/Governors

Female Genital Mutilation is a safeguarding issue; it is student abuse and a form of violence against girls. Local guidance for schools is contained within Guidelines for all agencies within the Nottinghamshire Safeguarding Students Board procedures NSCB procedures FGM. This guidance is based on national non-statutory government guidance (2011) Govt guidance FGM.

A new duty for Teachers to report 'known' cases of Female Genital Mutilation FGM was introduced on the 31st October 2015. If a teacher discovers that an act of FGM appears to have been carried out on a girl under the age of 18 the teacher must report this to the police.

FGM is a procedure that includes the partial or total removal of the external female genital organs for 'cultural' or other non-therapeutic reasons.

It is illegal in the UK to subject a child to female genital mutilation (FGM) or to take a student abroad to undergo the procedure – Female Genital Mutilation Act 2003. Despite the harm it causes, FGM practising communities consider it normal to protect their cultural identity. It is estimated that 24,000 girls in the UK are at risk and 66,000 women living with the physical and psychological consequences; this is the scale of the problem. The age at which girls are subject to FGM varies greatly from shortly after birth to any time up to adulthood. The majority of students have the procedure between the age of 5-8 years.

School staff should be alert to the following indicators:

- The family comes from a community that is known to practise FGM or is less integrated within the community.
- A student may talk about a long holiday to a country where the practice is prevalent.
- A student may confide that she is to have a 'special procedure' or to attend a special occasion.
- A student may request help, directly or indirectly, from a teacher or another adult.
- Any female student born to a woman or has a sister who has been subjected to FGM must be considered to be at risk, as must other female students in the extended family.
- A girl is withdrawn from PSHE/SRE.

In brief the signs that FGM may have occurred are:

- Difficulty walking, sitting, or standing.
- Spending longer in the bathroom.
- Urinary or menstrual problems.
- Prolonged absence and then noticeable behaviour changes.
- Reluctance to undergo normal medical examinations.
- May confide in a professional but may not be explicit or may be embarrassed.

Where you know or suspect that FGM has occurred:

- Be sensitive to the child, and family, be gender sensitive, make no assumptions, be non-judgemental, use simple language, record clearly.
- You have a duty to protect, safeguard and share information.
- Refer to Children's Social Care for coordination of careful assessment (not necessarily with consent).
- There will be potential enquiries under Section 47. • Potential police enquiries.
- Possible use of police protection or legal orders such as EPO, prohibitive steps but not necessarily the removal of the child.

- Government Equalities Office: Fact sheet [Equalities Office Fact Sheet](http://media.education.gov.uk/assets/files/pdf/s/safeguarding%20children%20from%20female%20genital%20mutilation%20-%20factsheet.pdf) The link is: <http://media.education.gov.uk/assets/files/pdf/s/safeguarding%20children%20from%20female%20genital%20mutilation%20-%20factsheet.pdf>

Appendix 6

Prevent Duty and Radicalisation

There are now duties imposed on schools under the 'Prevent Duty' CTSA2015. The School must have due regard to the need to prevent people from being drawn into terrorism of the 'Prevent Duty' Guidance issued by the DfE. The link is:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/439598/prevent-duty-departmental-advice-v6.pdf

We do:

- Risk assessment We assess the risk of students being drawn into terrorism. We have clear procedures in place for protecting students at risk of radicalisation.
- Working in partnership We ensure their safeguarding arrangements takes into account the policies and procedures of the NSCP. We effectively engage with parents.
- Staff training Staff are trained to identify students at risk of being drawn into terrorism and challenge extreme ideas.
- IT policies We ensure that students are safe from terrorist and extremist material when accessing the internet in school.

Where we are concerned about individual students there is a referral pathway.

The essence of our policy, however, is that we seek to protect students and young people from being drawn into, and against, the messages of all violent extremism. This includes and is not restricted to ISIL, AQ, Far Right, Neo Nazi, White Supremacist ideology, Irish Nationalist and Loyalist paramilitary groups, and extremist Animal Rights movements.

The use of social media and the internet as tools to radicalise young people cannot be underestimated. We recognise that those that seek to recruit young people to follow extremist ideology often target those who are already vulnerable in some way and that exposure to extreme views can make young people vulnerable to further manipulation and exploitation.

As a school we are clear that we have a duty to safeguard young people from such dangers and we will actively promote resilience to such risks through our RE and PHSE curriculum, SEND policy, assembly policy, our SMSC and anti-bullying work, and in our policies for use of the school premises by external agencies and our IT policy.

Visitors to Ashfield School will be managed in line with our Visitors Policy, guest speakers coming into school will never be unsupervised. Each person visiting the school will receive an expectation of visitor's leaflet.

Appendix 7

COVID-19 Addendum

We will follow the guidance set out by the Nottinghamshire Safeguarding Children Board (NSCB) and take account of guidance issued by the DfE to:

- Ensure that we have the Designated Safeguarding Lead or Deputy Designated Safeguarding Lead available by email or phone on each day that the school is open to key workers. The member of SLT on site each day will co-ordinate communication with the DSL or DDSL as required.
- Ensure that every member of staff knows the process of raising safeguarding concerns during the COVID-19 closure.
- Ensure that key staff who have received safeguarding training make regular contact with vulnerable students or those under social care involvement who aren't accessing the school's offer.
- Ensure that particular attention is given to mental health during the COVID-19 closure, and that staff and students are given frequent advice on ways to access support.
- Ensure that students are given strategies to stay safe online whilst working remotely, and ways to report any concerns they may have, along with ensuring that parents have the information they require to keep their children safe online.
- Ensure that any new member of staff or volunteer that comes onto site has completed the necessary check
